GMC complaint.	17.09.2015	4
GMC reply.	05.04.2015	1
GMC (nonsense)	05.03.2015	3.

Several extracts from Prof. Hayreh and others. 4.

These have been selected because the actual files are approx. 25 mm (1") thick. I.e. far too bulky to read or post.

Many of them (and more) can be found online if required.

Trusting these will help convince your Lord and Ladyships that my appeal is genuine, truthful, and justified.

Thank you for your time and consideration.

Jerome Thomas
